## Road Cleanup

Help us keep our community beautiful! Our Annual Spring Road Cleanup is scheduled for tomorrow, May 12<sup>th</sup>. Those interested in participating will meet behind the PNC Bank (2907 Orchard Lake Road, Keego Harbor) at 9am. The more the merrier, please feel free to bring guests. Please reach out to Bill if you have any questions. Thank you Bill for heading this up for us!

## Scholarships

There was a lot of discussion around scholarships at our most recent board meeting. Paul will be heading up a committee to discuss our options to improve our scholarship process. Please reach out to Paul if you would like to be a part of the committee.

Also, Paul had a great suggestion that we start a mentorship program for our scholarship winners. Each scholarship winner will be assigned a mentor within the club. The mentor will periodically check-in with the student and provide guidance and support. We will be sharing more details on this as they become available. Thank you Paul for the great suggestion!
