There is no greater opportunity for participation in community affairs and service than in an Optimist Club.

The purposes of the Optimist Club are to develop optimism as a philosophy of life, to promote an active interest in good government and civic affairs, to inspire respect for the law, to promote patriotism and work for international accord and friendship among all people, to aid and encourage the development of youth in the belief that the giving of one's self in service to others will advance the well being of individuals, communities and the world.
